**TRANSMITTAL OF APPEAL BRIEF, and  
PETITION REQUESTING A TWO MONTH EXTENSION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The enclosed brief is being filed in furtherance of the Notice of Appeal filed on April 12, 2007, and Notice of Panel Decision from Pre-Appeal Brief Review, mailed June 19, 2007. The present filing date of September 19, 2007, is within the original permissible one month term for filing the present brief, measured from the mailing date of the Notice of Panel Decision from Pre-Appeal Brief Review extended an additional two months, namely September 19, 2007.

In connection with the filing of the Appeal Brief, no fee is believed to be due, as the previously paid fee in the amount of \$500, which was paid in conjunction with the previously filed Appeal Brief filed September 21, 2005, is believed to be applicable to the present appeal, because there was no final board decision in the previously filed appeal (see MPEP §1204.01). Nevertheless, a fee in the amount of \$450 is believed to be due in conjunction with the presently

requested two month extension. The undersigned authorizes the Commissioner and respectfully requests that this fee be charged to deposit account 50-2117. The Commissioner is further authorized to charge any additional fees deemed to be necessary in connection with the proper handling and consideration of the Petition requesting a two month extension, and the enclosed Appeal Brief in support of the appeal from the Examiner's final rejection, including any underpayments, and/or credit any overpayments to deposit account 50-2117.

Respectfully submitted,
